PRODUCT RANGE SIZING GUIDE

Inslab heating is a highly popular, lowcost solution to heating polished or coloured concrete floors in new homes and extensions.

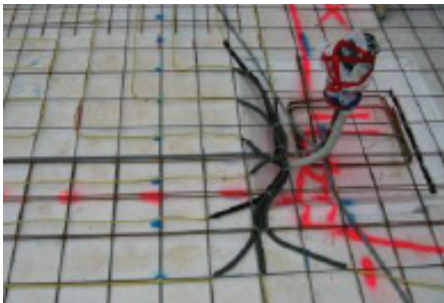

An electric heating element is installed after the reinforcing mesh has been added and prior to the concrete being poured.

MODEL	LENGTH (M)	WATTAGE
INSLB 500	17	500
INSLB 750	25	750
INSLB 1050	35	1050
INSLB 1300	43	1300
INSLB 1600	53	1600
INSLB 1920	64	1920
INSLB 2580	86	2580
INSLB 3060	102	3060
INSLB 4000	133	4000
INSLB 5000	166	500

Unlike other heating methods which provide rapid response heating, inslab heating is designed to provide gentle background warmth.

Effective installation and correct operation and control will ensure maximum cost-effectiveness. Inslab heating can be installed in selected rooms, all of which allow individual control.
